

AT Exchange

getATstuff is the Assistive Technology Exchange, where you can find new and used AT devices for sale or for free across New England. You can also post free, online classified ads for AT devices that you no longer need or use.

Browse our listings and find more info by visiting www.getATstuff.com.

Whether you have or need an adapted van, wheelchair, walker, communication device or other AT, getATstuff can help make the exchange.

If you don't have access to a computer, we will be happy to help search the items on getATstuff or help post a device on your behalf.

Make the first move towards greater independence today.
