LENDER CERTIFICATION:

The undersigned officer of the Lender hereby certifies, on behalf of the Lender, as follows:

1. The linked deposit loan interest rate indicated in this application for this loan was calculated based upon the current interest rate that would be charged for the loan in the absence of the program, and the linked deposit loan interest rate will be a fixed interest rate charged during the term of the linked deposit applicable to the loan, even if the rate is determined upon variable rate conditions.
2. In connection with the loan that is subject to this application, the Lender will not charge any discount, points, origination fees, handling fees, service charges, refinancing fees or penalties or charges other than those normally charged, and in such amounts normally charged, by the Lender for loans of the type being made without regard to the Linked Deposit Program.
3. The Lender agrees to give prompt notice to the authorized depositor and Empire State Development of any increase in the interest rate of the linked loan as a consequence of default on or renegotiation of the linked loan, or if the linked loan is charged off, prepayment of all or part of a linked loan is made, or if there is a sale or assignment of all or part of a linked loan.
4. The information contained in this Lender's Application is, to the best of the Lender's knowledge after due inquiry, true and correct. The undersigned is aware that any material misrepresentation purposefully made in this application constitutes an act of fraud.

IN WITNESS WHEREOF, the undersigned has executed this Lender's Certification as of _____, 20_____.
